EUROPEAN VOLUNTARY SERVICE AND TRANSNATIONAL EXCHANGES IN THE REGIONS’ OFFICES IN BRUSSELS

“Youth and Brussels based Regions” is a European project promoted and coordinated by the **Abruzzo Region**, in partnership with the **Dubrovnik-Neretva County** (Croatia), the **Lubuskie Province** (Poland) and the **Presov Region** (Slovakia).

The project was approved by the European Commission and it is co-financed by the **“Youth in Action”** program. It shall take effect from the **1st May 2014** until the **30th April 2016**. During that **two-year** period, it intends to send **80 young people**, aged 18-30, in the respective regional offices in Brussels for **European voluntary service (EVS)** and **transnational youth exchanges (TYE)** programs.

The project was presented on the **17th May 2014** in Brussels, at the **Committee of the Regions**, during the Institutions’ traditional **“Open Doors Day”**.

The people who will benefit from that exceptional offer will be selected among unemployed young people (aged 18-30) as far as the **European voluntary service** program is concerned, and among young workers and unemployed young people aged 18-25 as far as the **transnational exchanges** program is concerned.

The conditions and the duration vary depending on the programs: the European voluntary service program lasts for **13 weeks** and the transnational exchanges program last for **2 weeks**. **Food** and **accommodation** expenses are covered, as well as the **travel** costs. As far as the European voluntary service program is concerned, the candidates selected will also receive a monthly **pocket money**.

Every aspect of the project, including the selection, will be managed **online**, on the website, in digital form, in order to ensure high level of objectivity, transparency and rapidity. All interested people who meet the conditions

for eligibility indicated in the public notice related to the first year are kindly invited to visit regularly the website to participate in surveys and other activities offered, but also to respond to notices as soon as they are posted on the website.

The activities' launch coincided with the **fifteenth anniversary** of the establishment of the Abruzzo Region's office in Brussels (1999/2014).
