

**THE SCIENTIFIC HIGH SCHOOL "GALILEO GALILEI" FROM PESCARA VISITS
BRUSSELS**

On November 14th, **28 young students** attending the **5L** and **5A** classes of the Scientific High School "**Galileo Galilei**" in Pescara, will visit the **Brussels'** Office of the **Abruzzo Region**.

During the visit, different major issues will be discussed: from the role and functioning of the Institutions after the **Treaty of Lisbon** to the **educational programs** and **cultural models** for the new generations through **communication strategies** about European themes and the **role** of the **State, Regions** and **Networks of the Regions** in the respective operational and institutional contexts.

Professor **Bruno Marien** will accompany the students.
